Your Paper Halloween Village

Printable spooky little houses to cut, fold and glue

Haunted House

Witch's Cottage

Pumpkin Shop

Ghost Inn

What you need

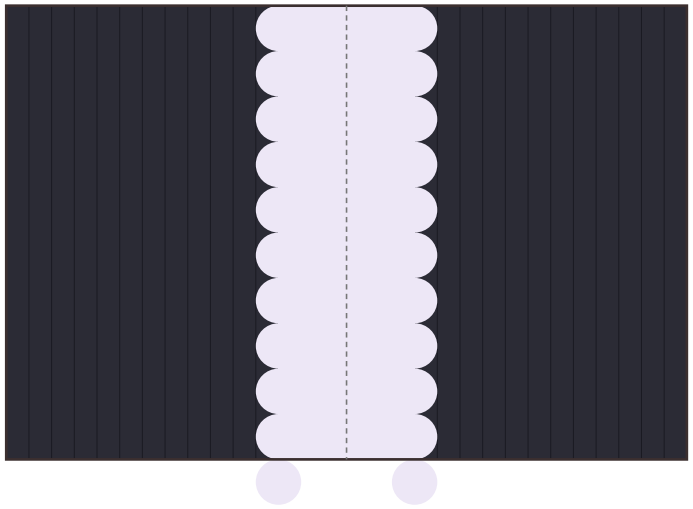

- Cardstock 160-200 gsm (white or colored)
- Scissors or craft knife and cutting mat
- Glue stick or white glue
- Pencils and markers to decorate

Inside this PDF

- 4 colored houses: haunted, witch, pumpkin shop, ghost inn
- 1 blank house to color yourself
- Cone-shaped witch hats to cut out
- Print A4 landscape at 100% scale (do not fit to page)

Tip: put an LED tea light inside each house for a spooky glow!

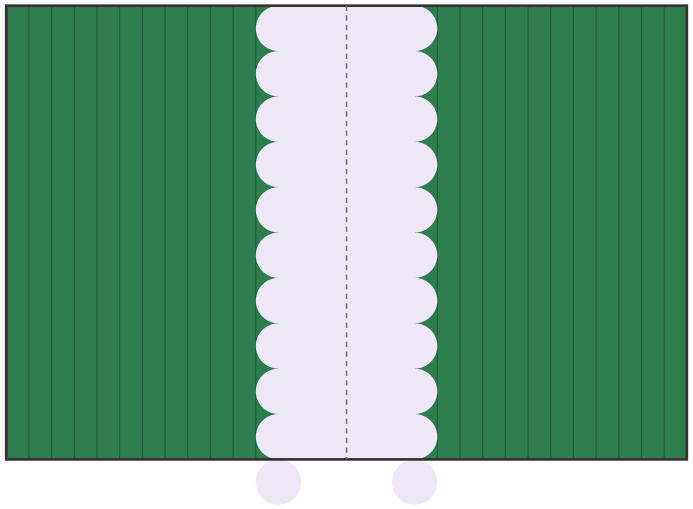

House: Haunted House

1. Print on cardstock (160-200 gsm), A4 landscape, 100% scale.
2. Cut along the solid line, including the white tabs.
3. Fold along the dashed lines.
4. Glue the side tab to close the 4 walls.
5. Fold the roof in half, then glue it onto the gable tabs.
6. Put an LED tea light inside and your spooky village glows!

Cone Witch Hats

AuPair plus

Cut out the shape, fold the tab, roll it into a cone and glue. Mix big and small hats to decorate your village!

cut = solid line | *fold = dashed line*
